

# Making decisions: Group scenarios (Years 3-4)

Tran and Lin are playing in the park near their house. They notice a woman shouting and swearing at the children playing in the park. She seems wobbly on her feet and falls over. What could Tran and Lin do?

Jessie is walking home from the local shops. Jessie thinks someone might be following him. What could Jessie do?

Mel and Kim's parents have gone out, leaving them with Jacky the babysitter. Jacky invites some friends over, and they start drinking alcohol and watching a scary movie. What could Mel and Kim do?

Chris has gone to his friend Ben's house after school. Ben's mum has gone to the shops, leaving them alone. Chris does not feel safe. What could Chris do?

During lunchtime, Rick comes up to Harry and demands his lunch money. What could Harry do?

Sammy sits at the desk in front of Kai. Kai always annoys Sammy by kicking her chair and throwing bits of paper at her. Sammy has asked Kai to stop, but it keeps happening. Lately Kai has been threatening to hit her. Sammy is starting to feel scared and doesn't feel like going to school. What could Sammy do?
